

WARRIORS WITH ARSENAL MEN ON PROBLEMS

Secretary Says He Is Antic-
ipating Time When He Again
Becomes a Lawyer.

Conferences between employ-
ees of the Rock Island Arsenal and Sec-
retary of War Newton D. Baker
place yesterday afternoon, but
neither party has any tentative plans
yet forth would not be divulged
by the war department head in an
interview at noon today.

The war secretary met with a
delegation from the employees of
the shop and the future of that de-
partment on the arsenal or else-
where was discussed at length.

Later in the afternoon he met
with a representation from the ar-
senal. Secretary Baker expressed him-
self as highly interested in the
plans of employee representation in
management of the arsenal, an in-
stitution still in the experimental
stage, and said that he looks for it
to prove a success.

Secretary Baker left Rock Island
at 4:35 o'clock this afternoon on
his way to Cleveland, where he
plans to visit briefly before contin-
uing on direct to Washington.

To Resume Law.

That he is looking forward with
some degree of eagerness and satis-
faction to his retirement from his
official position was testified to by
the promptness with which he an-
swered a question as to what he
intended to do when that time
comes.

On March 5, 1921, I will hasten
to Cleveland and take up the prac-

FITZSIMMONS IS PLACED ON DUTY AS TRAFFIC COP

Harry E. Fitzsimmons, 1511 1/2
Second avenue, named as a traffic
officer by the board of fire and po-
lice commissioners some time ago
under an appointment effective May
1, has been put to work at Third
avenue and Twentieth street by Po-
lice Chief Tom Cox on account of
the pressing need now for traffic
handling at that intersection.

Hundreds of automobiles are
passing the intersection every day
and with passing of many street
cars it was deemed by Chief Cox
as imperative that the department
should not wait longer in putting
an officer in charge of the situation.

The danger of accidents is great
at the point in question, being the
most congested corner in the city.

Some weeks ago a serious accident
occurred on the corner when an
automobile ran down several young
women, three of whom were seri-
ously hurt. Chief Cox said today
that although the city finances are
low some means will have to be
taken to provide more traffic offi-
cers if the public is to be protected
on the downtown streets.

vice of law," he continued. "I will
not tar y in Washington."

DAVENPORT WOMAN COMMITTS SUICIDE BY INHALING GAS

Mrs. Edward Padeskie, 1416 West
Pleasant street, Davenport, com-
mitted suicide, at her home some
time yesterday, by inhaling gas.
The body was discovered by her
husband on his return from work
at 5:30 o'clock in the evening. No
reason for her act could be given
except despondency. The widower
and two children survive.

BARONESS OF FRANCE TELLS OF WAR WORK

Frances Wilson Huard to Speak at
Burtis Under Auspices of
American Committee.

Baroness Frances Wilson Huard,
daughter of the American actress,
Frances Wilson, and noted war
worker, author and lecturer, will
speak at the Burtis theatre, Daven-
port, on Friday evening, April 9,
under the auspices of the Ameri-
can committee for devastated
France.

Baroness Huard, besides her no-
table accomplishments in war work,
is the author of two remarkable
books which relate her experiences
on the battle field: "My Home in
the Field of Honor" and "My Home
in the Field of Mercy."

Her lecture on next Friday will
be accompanied by the film, "The
Heritage of France," the scenes of
which were enacted by peasants of
the Alsace region, showing their life
during the last five years. It car-
ries a complete story, giving an ac-
curate portrayal of life in the
French village prior to 1914, the
subsequent onrush of war, the
evacuation of the territory by the
inhabitants, and their return to the
ruins of their former homes after
the signing of the armistice.

Miss Morgan, Leader.

The organization under whose
auspices Baroness Huard comes is
headed by Miss Anne Morgan,
daughter of John Pierpont Mor-
gan, and Hon. Myron T. Herrick.
